Alma Mater

All hail Alma Mater
Thy sons cheer thee now,
To thee, East Tech High School,
All rivals must bow,
In defeat or in victory,
Our boys, they're not down,
Bring glory, forever,
To the royal Gold and Brown.

Foreword

We the graduates of June 1948 have concluded three of the most eventful years of our lives; years of experiences and learning which prepared us for the obstacles and opportunities of the future.

Many of us may enter into the services of our country; others will fall into the ranks of industry; while still others will go on to receive higher education. We can all readily understand why the time we spent at East Technical High School will be one of the most unforgettable and enjoyable periods of our lives.

When we entered this school as 10B's, we were quite awed by its size and many complications. As sophomores the instructors seemed to us to be inhuman beings and we feared them; then later as juniors we felt that they came with the building and therefore had to be tolerated; and finally, as mature seniors, we found that most teachers were human and that there were very real and essential purposes for their work.

On plunging ourselves into the endless stream of activities we felt the great spirit that is East Technical High School. We inspired our football teams; cheered our swim team as it added new glories; boosted our track kings; and did everything in our power to improve our Alma Mater.

Then after three very short years we were ready to graduate; we were seniors and the feeling was wonderful. There were times when graduation was merely a word; and it seemed far distant. For six semesters we studied toward our goal; then before we were aware of the fact, commencement was upon us and we faced it nervously.

Our pride reached its zenith the night we received our long awaited and desired diplomas. The fruits of three years of work were climaxed when we proudly said "I am a graduate of East Tech." We were saddened by the thought that our high school days were over and we said farewell to the school where we had lived, worked and played. Those much remembered years have bound us seniors together in the same brotherhood.

Now as men and citizens of the world we look back to East Technical High School and the superb technical and academic education we received. And with words that come from the heart we express our deepest appreciation and gratitude for what we were given. We were taught to think as individuals and learned the meaning of good sportsmanship and its practice wherever our fortunes willed.

In parting, as our final gesture, we cordially extend our sincerest thanks to you, East Technical High School, for your many privileges and courtesies—from the June graduating class of 1948.

In Gratitude

It is with the deepest gratitude that we the members of the Annual Staff, and senior class, doff our hats to Mr. Paul Scherer, advisor; Mr. William Nardi, English advisor, and Mr. Clarence Doubler, printing instructor, without whose relentless efforts this publication could not have been possible.

June '48

Ex Libris

Charles M. Quigley, through his ten years at East Technical has become one of our most respected and honored friends, as we know him as teacher and counselor. With due respect we find it only proper to mention the difficulty with which he pursued his chosen vocation of teaching. After attending many colleges and universities, he was stricken with a near fatal illness and recovered only by his great will power and faith in himself. Few students are aware of this fact.

His modesty and generosity are seemingly endless. In a soft voice he mentions only the good things about his students and does everything in his power to help them. His attitude on life is that of one who takes only the serious things seriously and sees only the good side of the situation, no matter how difficult it may seem.

With this parting thought we dedicate this Annual to him with the assurance in our own hearts that he will be remembered by all of us.

August 30, 1907: Construction of East Technical was begun.

October 12, 1908: James F. Barker, first principal of East Technical, started classes with 700 pupils and a faculty of 40.

1909: Scarab first appeared as a monthly publication.

1910: The introduction of the June Bug to East Technical.

1911-1916: Mr. Charles H. Lake, appointed second principal of East Technical. Seventy students and six faculty members served in World War I.

1916-1920: Mr. H. D. Bixley became the third principal. Gridders won senate championship in '15, '16, and '17.

1920-1927: Mr. Harry A. Bathrick became fourth principal. First Student Government was inaugurated at East Technical. Tech's greatest football team played for the national championship.

1927-1936: Mr. Pliny H. Powers was appointed fifth principal. Camp Frost, the only cabin of its type in Ohio, was built by the students and faculty in 1933. Jesse Owens broke three world scholastic records and tied another.

1936-1940: Mr. B. W. Taylor became East Tech's sixth principal. Mr. Taylor introduced several changes upon entrance to East Technical: 45 minute lunch periods, courtesy guard system, and 20 minute noon movies.

1941-1945: Three hundred forty-eight East Tech men were known to be killed serving their country during World War II. About 9,000 men in all served from East Technical. Mr. Bower appointed as assistant principal in 1943. Only remaining original member of the East Tech faculty of 1908 is Mr. Stewart.

1945-1948: Harrison Dillard, brilliant hurdler, stars in United States and Europe. Jim "Jughead" Martin plays end for third year at Notre Dame. School attendance drops to 1,400 pupils. East Tech swim team wins city and state titles.

Things We Won't Forget

The horrified screams of agony and insane laughter erupting from the seniors when they got their diplomas. Our first day—those big dark halls and sneering teachers. Trying to decide on a specializing course from nearly a dozen. Dodging plaster in the aud. at a big rally. The bowling aud. every year—"Half the alley to hit the pin." Hah! Those dreary N. H. S. inductions. The times that we bought tickets for games just to get out of school (if we didn't buy tickets we cut). Oh! The morning after the prom when you were supposed to get up and go to work (some fellows celebrated the prom for days). How many "padded" program cards there were for the prevention of tenth periods for tardy Techites. The wild-eyed seniors after the Ohio State Psycho Test. OW! Those spine-breaking theory sessions (but we did get some sleep). The bad case of SENIORITIS gotten by 12A's. Boy! The services were really after us (the only ones that weren't represented were the Women's Reserves and the K-9 Corps).

WHERE IS P. SCHERER??? The sad attempts of E. Calhoun trying to give the boys a workout like J. J. Torgler. Ah yes! Those jokes of E. S. Kern (true and otherwise). T. Stettler (Ernie Pyle the 2nd) claims he writes all of the Scarab yet gives the journalism students the blame for any errors. M. D. Schalk insisting he has 20-20 vision. H. Johnson going mad trying to figure out speeches by Kuczkowski, Zawada, and Wintucky. W. Read's astonishing method of waking up Techites sleeping in theory. H. Harmony's ninth period class having a picnic every time there was a ball game. Who will C. Doubler pick on after Wintle and Generinni leave? The good lunches that were consumed in J. A. Klug's classes. W. Smith's great statement, "All right, let's get in focus!"

Who were the fellows in great "spirits" after the Brown and Gold Revue? Fred Kunc got more sleep in school than at home. Steve Wargo finally got his pants back. Mr. Yee was surprised when he found out that the buddy he swatted wasn't a buddy at all. The poker games in Architecture that were won by Sheldon Gross. Squad fights in Aeronautics. What did Dahlman ever do in radio? (He read the paper.) Rastas has quite a library of school books at home. We quote G. B. (grid bias) Hamman: "Did that great electrician Dubay check this radio set yet?" Is Vic Sabolic going to give back all those tools and tubes that he wanders out of class with? Those breezy bull sessions in R. E. Cukr's machine shop classes (how much work was done). Did Bob Johnson ever complete a machine drawing? All the boys gathered around the Thunderbird's model display (did any ever fly?). The big gathering in Aero every time they ran an engine everyone said wouldn't run. Angelo breaking all jitterbug records at the Informal and Prom.

Activities

Row I: Burfitt, Fields, Wintle, McCadden, Martin, Anderson, Brown, Wardlow, Cross, Zelodec, Stanley, LeVert, Harris, Rutherford.
Row II: Edwards, Theodore, Floyd, Wiggins, Merdes, Nagy, Brown, Coach Ivan Greene, Winfrei, Lee, Baker, Hamilton, R. Post, Manager; Chester, Wilcox.
Row III: C. Hernandez, Manager; Rutherford, Holden, Ferguson, Yates, Sammons, Kouba, Satchell, Siciliano, Semala, Kunc, Harris, Sissle, Suddeth, Hatton, Burns, Wilson, Mitchell, Garrett, Mays, Johnston.

Track

The Brown and Gold Tracksters started their 1948 season by losing the Annual Knights of Columbus Field and Track Meet. With John Wintle as captain, the never-say-die Scarab Wingbearers captured two seconds and a third.

Ed McCadden snagged two firsts in the high and low hurdles for Tech's only first place in the Indoor City Meet.

Sam Garrett took first in the broad jump for the Locals' only first in the Mansfield Relays. East Tech tied for fifth place but a loss of the flip of coin put the Scarabs in sixth place. Bouncing back from their poor showing in Mansfield Relays, the Artisan Wingbearers racked up 21 points to place second in the Wesleyan Relays. The Locals' only first place was in the 440 Relay where Leroy Burfitt, Willie Williams, Chuck Martain and Tom Lester combined their times to place in 44.2 seconds.

Coach Ivan Greene's boys finally reached their stride when they annexed their first important victory of the year, by taking the Thirteenth Annual West Tech Relays with 29 points under the lights at West Tech Field on May 2, 1948.

With all events completed except the pole vault, East Tech and West Tech were all tied up with 26 points each, but a third place in the pole vault gave the Locals the meet.

Jim Jones, Sam Garrett and Paul Sissle accounted for one of the first places in the broad jump, while Ed McCadden, Walter Cheeks, Jim Wiggins and Ulysses Harris took a first in the Shuttle Hurdle Relay to account for East Tech's other first.

Athletics

Row I: J. Horne, H. Heiden, A. Janusik, S. Arko, J. Leber, B. Mormile, T. Kralis
Row II: R. Skrocki, Manager; Coach Humphrey Harmony, V. Jones, J. Rodriguez, R. Soeder, S. Minich, N. Strnad, S. Piskach, Assistant Coast William Nardi, S. Vernyi, Manager.
Row III: E. Gross, B. Sadens, A. Cunningham, W. Harr, D. Toronski, E. Piskach, R. Stupka, J. Jakubs.

Baseball

The Brown and Gold Hardballers finished the first half of their Senate season without winning a game.

The South High Flyers dumped the Locals after a tough pitchers' battle at Raus Park by a 4 to 2 score, in the opening game of the season.

In another independent fray, this time at Brookside Park, the Lincoln Presidents were overpowered by the Carpenter nine by a 6 to 4 score.

The East High Blue Bombers whitewashed the Scarabs in the first Senate game of the season at Woodhill Park, 6 to 0.

Senate loss number two was registered when the John Adams Rebels after a tough battle at Woodhill Park eked out a 4 to 2 victory.

Traveling out to the Cleveland Heights Tigers' diamond the Brown and Gold nine found that last year's state champs had not lost their power and therefore went down to defeat by a score of 6 to 2.

The John Hay Bookkeepers slapped defeat number five at the Carpenters and the third Senate loss by a 3 to 1 score.

Benedictine's Bengals beat the Scarabs at Woodhill Park, 11 to 0, for the fourth Senate defeat.

In the final game played before going to press Tech finally broke loose and submerged the Collinwood Railroaders 12 to 3. Jim Rodriguez held them to two hits in the first seven innings and was backed up with brilliant relief work by Ray Soeder, with Tony Kralic behind the bat. Tech's batting power finally broke loose in scoring the barrage of runs.

Football

When Humphrey Harmony resigned as head football coach, he turned the coaching reins over to Paul Anderson and William Nardi, his assistants the previous season. The two young coaches, who were both former college stars, combined their efforts to develop a powerful team. A season's record of seven wins, one loss, and a tie, speaks for the success of their brilliant coaching.

The opening game of the year with West Tech was the News' "Spotlight Game" of the week. It was an easy victory for the Artisans, who scored two touchdowns in the first half and two more in the second. It was Walter Crump's touchdown and three points on placements that led the attack over West Tech, 27 to 0.

The following week the Cleveland Heights Tigers played host to the Artisans at Shaw Stadium. By a great second half rally, the Artisans turned the game from defeat to victory. It was a decisive 21 to 13 victory over the Lake Erie Champions for Tech.

The most exciting game of the year was played at West Tech Field, when the Artisans met the state champions, Cathedral Latin. In the first quarter Cathedral Latin scored a quick touchdown and then failed in the try for the extra point. Soon after, Walter Crump snared a pass from Dan Toronski to score the tying touchdown. Crump's conversion was good, and the 15,000 people went wild. Finally, in the fourth quarter the roof caved in. Three quick touch-

downs—the last coming with twelve seconds remaining in the game—gave the Latineers a hard fought 27 to 7 victory.

The slightly downhearted Tech team managed to squeeze out a 13 to 6 victory over the Benedictine Bengals. Walter Crump and Bob Nunn scored the tying and winning touchdowns.

John Adams, however, played football for keeps, and the supposedly easy victory for Tech turned into a 6 to 6 tie. Joe Kovach and Frank Ferrone were the Tech stars.

Finally getting over their apathy, the Artisans rebounded by smearing the Glenville Tarblooders 55 to 0.

Traveling to Canton, the Artisans met the strong Lehman team at beautiful Fawcett Stadium. While holding the "Polar Bears" scoreless, the Artisans managed to drive six points over the enemy's goal in the final quarter on Gennerini's hard run.

The Blue Bombers from East High didn't do much bombing at Thomas Edison, when they met the East Tech Artisans. On the other hand, they took a 27 to 6 drubbing.

In the final game of the year, the Collinwood Railroaders were derailed by the fighting Tech eleven, 18 to 0. This time, Dazio ran for two touchdowns, one for 43 yards, and the other a brilliant 76 yard run through a muddy field, outracing four Railroaders to the goal. The victory moved Tech into undisputed second place in Senate standings.

Junior Varsity Basketball

Joe Kovach, January '48, was named Junior Varsity Coach by Head Coach Paul Anderson up to January when he was succeeded by Chuck Sarkisian.

The Brown and Gold Scrub team had their first test when they encountered the St. Ignatius Reserves in an independent fray staged at the enemy's court. Tony Dolejs sparked the Locals scoring as they went down before the Saints by a 33 to 16 score.

Holy Name traveled over to the Towne Club to help the Carpenters open up their new home court and defeat them in their second independent fray, 41 to 21.

South High's Reserves also joined in the glory of victory as they defeated the Scarab Scrub team 47 to 37 in an independent game at the Polish Navy Court.

The Locals were still on the end of a losing streak and lost to the Elyria Pioneers 41 to 16 in a pre Senate game at the Elyria Court.

Two more defeats came to the Locals as they went down before the Cathedral Latin Lions, 33 to 25, and the Bengals from Benedictine, 29 to 18.

Victory came at last to the Carpenters as they defeated a John Hay five by a 25 to 18 score, but this was short lived as they lost to a strong John Adams quintet, 44 to 34. But victory again came home for the Locals as they defeated the Glenville Tarblooders, 48 to 44.

Varsity Basketball

With Paul Anderson taking over as head coach, and two returning lettermen, the Local Basketeers finished the season with an impressive record of six wins and five losses.

Ed Mordas was named captain by Coach Anderson, for the first game, an independent fray at St. Ignatius. That night Jimmy Rodriguez sunk 17 points, but to no avail, as the Saints won in a hard fought battle 42 to 36.

In their second independent fray Tech blasted Holy Name 58 to 35. The Locals then sunk the Polish Navy 36 to 20, to be the first team to beat South on their home court in two years. Then during Christmas vacation the Scarabs' winning streak was stopped by the Pioneers of Elyria with a 50 to 40 decision.

Tech's first Senate contest was a thriller played on the Scarab's new home court, the Towne Club. Here the Locals avenged last year's defeat by thumping Cathedral Latin 50 to 35. At Benedictine the Andersonmen, after holding a steady lead throughout the fourth quarter, faltered during the closing minutes of the game and lost 47 to 35.

Victory again smiled on the Locals as they handed John Hay a 56 to 39 trouncing, but it was only short lived as they bowed 57 to 41 to the runner-up champions of the city, John Adams.

The Carpenters again were set back by the Glenville Tarblooders 30 to 27 and Lincoln Presidents 37 to 32.

East High proved to be just a little breeze to the Locals as they defeated them 52 to 42. However, Collinwood upset the Brown and Gold 41 to 39. East Tech brought the curtain down on the basketball season by squeezing by Central 50 to 48.

Swimming

The mighty East Tech Tankers opened their 1947-48 season by submerging the Thomas Edison Tankers 47 to 19 at the P. O. C. Pool. First places were accounted for by Chuck Winder, Kurt Student, Bob Foley, Ted Stevens, Robert Paulin, the Medley Relay of Phil Portnick, Ed Peters and Ed Telepack, and the 200-yard freestyle relay of Garlock, Spear, Telepack and Paulin.

The Pennsylvania champs weren't champs any longer, after the Carpenters dunked Erie Strong Vincent in a dual meet for their fifteenth straight victory. Yaro Mucha clipped the 200-yard freestyle record of 2:15.4 thereby setting a new P. O. C. record of 2:09.1.

Shaw and Lakewood brought the string of victories to numbers 16 and 17 as the Scarabs sank them 40 to 26 and 37 to 29 respectively. Yaro Mucha established a new mark in the 200-yard freestyle event in the Shaw meet by finishing in 2:06.9 and thereby smashing the old record of 2:14.8. Bob Foley, 100-yard back stroker, broke his own record of 1:06.3 when he swam 1:05.2 against Lakewood.

Victory number 18 came when the Artisans played host to Shaker Heights at the Fenn College Pool. Spotlighting this meet was the Medley relay made of Bob Foley, backstroker; Kurt Student, breaststroker, and Ted Stevens, freestyler who set a new National High School 300-yard Medley relay record of 3:06. The previous record of 3:08.6 was held by the Fremont Ross High School team. Incidentally, the final score was 38 to 28.

Athletics

The City Championship cup came home to rest after the Locals won it for the third time as they annexed their nineteenth consecutive win.

University School was next to be torpedoed for the twenty-first victory as the Locals sunk them in a dual meet. A week later Cleveland Heights was defeated 45 to 21 as the Artisans rolled up their twenty-second consecutive victory.

The Bowling Green Relays made victory number 23 as the Carpenters kept on cutting a wider path to glory.

The Locals traveled to Canton for victory number 24 as they dunked Canton McKinley 37 to 29, and to Hudson for their twenty-fifth consecutive victory as they sunk Western Reserve Academy 40 to 26.

At Hudson the next week, the Scarabs picked up 43 points to win the District meet while Lakewood finished second with 27.

Ted Stevens smashed the 200-yard freestyle record in a climax to the swim season at Columbus when the Locals won the Ohio State Interscholastic swim meet. Stevens' record smashing time of 2:02.7 lowered the National 200-yard freestyle record of 2:03.1. John Elkanick and the Medley relay of Foley, Student and Stevens copped first honors to clinch East Tech's twenty-seventh consecutive victory, and to end another victorious and undefeated season.

Graduating members are Kurt Student, Bob Foley, John Elkanick, and Yaro Mucha.

Club Track

The Noble Hi-Y, with a total of 48½ points, took the seventh annual running of the Club Relays in a cakewalk. The Freeman Wreckers were second with the Coli Tech Rollers, the Trojan Hi-Y, the Band, and the Corinthians finishing in that order.

Seven first places, the mile, the 440-yard run, the 50-yard dash, the mile relay, the 880-yard relay, the mile medley relay, and the shot put accounted for 35 of the Noble's total points. In the two remaining events, Joe Thomas took the half mile in 2.21:9 for the Wreckers, and Pearson took the high jump at 5 feet, 6 inches, for the Rollers.

Decathlon

The East Tech Decathlon team, under the direction of Coach E. V. Calhoun, won the 1948 East Side Physical Fitness meet held at the East High Gym on April 8 for their third straight year when they scored 4,320 out of a possible 4,500 to establish a new all-time city record.

Perfect scores were turned in by Odell Yates, Amerigo Nerone, Leonard Przborowski, Rosemond Anderson, Lawrence Cooper, and Don Jones.

Techites with near perfect scores of 290 were Fred Bott, Alex Hollman, Steve Franjic, and Frank Dottmore. William Harris turned in the only 280 score, while Anton Chrnko, Don Gughes, Es Skinkis, and Tony Macias all came across with a score of 270.

Glenville placed second with 4,050 while John Adams finished third with a total of 3,880. Other schools finished as follows: Collinwood 3,760, John Hay 3,590, Central 3,430, and East High 3,400.

Junior Varsity Basketball

(Continued)

A last minute basket by Tony Dolejs enabled the Scarabs to have their third victory when they defeated the East High Blue Bombers, 39 to 36.

In their last independent fray of the season with the Lincoln Presidents, the Carpenter Reserves lost as they were set back 48 to 35, with Dolejs again leading the Local scoring.

In a thriller played with the Collinwood Railroaders, the Scarabs edged the Blue and Gray by a 36 to 32 score and then in the final game of the season edged the Central Trojans 49 to 45.

Tennis

The East Tech netters have had a fairly good season so far this year. They have won four matches and placed three boys in the State Meet at Columbus.

Competing in the District Meet at Lakewood courts, Bob Nunn and Joe Kepes beat all contenders for the doubles crown, while Nick Vodanoff was runner-up in the singles division.

In a tough battle with Benedictine the Locals edged the Bengals 3 to 2 in the first match of the season.

Traveling to Hudson, Ohio, for the second game of the season, the Scarabs went down before Western Reserve Academy 3 to 2.

Akron West's first defeat in two years was handed them when the East Tech racketeers edged them out 3 to 2.

The Locals' winning streak was run up to two straight as they defeated Shaker Heights 4 to 1 on the enemy's home court.

doubles team of William Oravec and Fred Podorofsky won.

In a tough tennis battle, the Scarab racket squad finished on the short end of a 3 to 2 score with Glenville at the Woodhill courts.

University School dropped the Locals 4 to 1 in a tough battle

Everybody won as the mighty East Tech racketeers whitewashed the St. Ignatius Wildcats 5 to 0.

Junior Varsity Football

When Ernie Santora left for Ohio State to return to his studies, Bill Nardi, line coach of the Varsity, took over the coaching assignment of the Junior Varsity. Under Coach Nardi, the J. V.'s finished a season of 3 wins, 3 ties, and 3 losses.

The opening game found the Cuyahoga Heights team coming from behind to tie the locals in the final minutes of the game, 14 to 14. Ray Micshaw scored the two Artisan touchdowns.

The season progressed with Tech taking three defeats: from Shaw, 25 to 0; Latin, 6 to 0; and Benedictine, 21 to 13. The other two ties of the season were with Collinwood and Central. The Collinwood team, supposedly the best J. V. squad in the senate, was outplayed and outfought by the Artisans in the 7 to 7 tie. The 6 to 6 tie with Central, can only be said, as a game of overconfidence on the part of Tech. After the tie with Central, the Junior Varsity snapped out of their dilemma and overpowered the heavier Cleveland Heights team, 12 to 8.

In the last two contests, the scrubs turned in two victories. The first, by a surprising 30 to 0 score over John Adams. Ray Micshaw led his teammates by scoring three sensational touchdowns. Even part of Glenville's Varsity couldn't stop the roaring Artisans in the final contest. Freddy Wilson smashed across the goal for the only and game winning touchdown.

Head Coach Paul Anderson can look forward to next season as being another successful one, with many of these boys leading the way.

Activities

Clubs and organizations play an important part in the lives of students by providing necessary diversion for the students in the form of social and recreational activities, hobbies, giving scholastic recognition, and furthering vocational interests.

The Honor societies give recognition to students for scholarship, character, service, and leadership.

Service organizations and clubs perform necessary services for the school. The orchestra, Scarab Staff, and the Student Organization are a few examples. Two groups that should receive mention, but are not official organizations, are the noon movie motion picture operators and the office pages.

The specializing clubs, to which most of the students belong, deal with the vocational interests of the students.

Hobby clubs hold discussions, lectures, and engage in activities dealing with the hobby and recreational interests of the students. The Shutterbugs, for photography fans, and the Whirlo Club, for roller skating fans, are two examples.

The seven Hi-Y's comprise the last group, the social clubs.

 Row III: Simon, Waitkus, Petite, Preston, Chichvara, Bujoll, Willett, Ralph.
 Row IV: Hospi, Ciuchcinski, Kouba, Yanda.

SCARAB STAFF: This group of students is responsible for the subject matter that goes into the Scarab each Friday. Only students who have had journalism theory as an elective are eligible. They are to be highly commended for no other school can boast of a high school newspaper with as many straight, continuous issues put out on a weekly basis. Theodore Stettler is the advisor.

Row I (L. to R.): R. Rondini, E. Piskach, Mr. Harmony, C. Russo, A. Giallombardo.
 Row II (L. to R.): M. Sklenka, L. Rodriquez, R. Skodis, J. Rodriquez.

E. T. S. O. EXECUTIVE BOARD: The Executive Board of the Student Organization is made up of all the principal officers and the heads of all committees. To this board goes the job of leading and planning all major school affairs and activities. This year the board was instrumental in running the Festival of Fun and several dances with Jane Addams and John Hay.

Activities

Row I: Friedenthal, Fritz, Jelarcic, Ralph, Mr. Stettler, Gale, Yanda, Petite, Willett, Panek.

Row II: Ciuchcinski, Brabenec, Krumrei, Blum, Merdes, Simon, Hudak, Kouba.

PENCIL PUSHERS: Organized in 1925 by Theodore Stettler, who is still the club's sponsor, the Pencil Pushers are open to students on the Scarab Staff only. The club is quite active socially and athletically, engaging in inter-club baseball and track. They also have banquets for all the members at the end of each semester.

Row I: Kayson, Zink, Spitz, Tidmore, Princic, Baldini, Obal, Carrick, Stanya, Macias.

Row II: Mitrovich, Daprano, Bonnick, Russo, Soltis.

ROD AND GUN CLUB: Organized for the purpose of giving students an opportunity to study and learn about fishing, hunting, taxidermy, guns, and other subjects of interest to sportsmen. The club's program consists of lectures, field trips, and educational films. The club also sponsors a variety of social and athletic activities.

June '48

Row IV: Jasko, Gundzik, Kraynak, Longmire, Podorofsky, Nunn, Cresho, Morgan, Zielinski, Ciuchcinski.

GAY CABALLEROS: The newest organized hobby club at East Technical is the Gay Caballeros, organized and advised by Miss Clara Sberna. This club was started in January to better acquaint the Spanish students with the customs, literature, art, music, and language of the Spanish people. The club activities consist of movies, dances, picnics, and lectures by Miss Sberna.

Row I: Mayersky, Inada, Lewis, Stanya, Mr. Bayer, Sabolic, Baker, Kahanowitch, Kouba, Bisbee.

Row II: Podorofsky, Toth, Kuhn, Thomas, Rickman, Takacs, Peterson, Skrocki, Merdes.

Row III: Yelsky, Killian, Cooley, Jackson.

RADIO TECH: An excellent example of a hobby club is the Radio Tech. Open to anyone interested in radio and the fundamentals of electronics, this club has for its purpose the furthering of radio activities in school. Although recently organized, its membership ranks among those of the oldest at East Technical.

June '48

Activities

Row I: Kall, Brown, Huff, Richards, Giallombardo, Mr. Doubler, Domonkos, Yee, Tucker, Saviolis.

Row II: Hoffman, Stanic, Gilbert, D'Amico, Ortuso, Pelosi, West.

GRAPHIC ARTS: Our school is very fortunate in having a Graphic Arts Club inasmuch as very few schools throughout the United States are honored with this privilege. The club is affiliated with the National Graphic Arts Education and was granted membership because of its superior quality of printing. If you don't believe this as a fact, please note that this Annual was printed by these same boys.

Row I: Cabot, Kristie, Montz, Mr. Read, Zawada, Collins.

Row II: Campbell, Hadzoglo, Reeves, Kuczkowski, Wintucky, Holder.

THUNDERBIRDS: This hobby club restricts membership to students interested in airplane model building, flying, and aeronautical fundamentals. Their program includes pre-flight and gas model contests, plus many social and athletic affairs. Air minded boys of all specializing subjects belong to this organization. Mr. Read is their advisor.

Last Will and Testament

We, the graduating class of June, 1948 A. T. (About Time), in order to form a more perfect reformatory, establish horseplay, the lending of homework, insure cutting classes, and to provide and promote a general hub-bub around school do ordain and bequeath this legal document to be our Last Will and Testament.

Article 1: An old masonry structure known as East Technical High School or otherwise known as the East Fifty-five University or Scovill Heights Institute of Technology.

Article 2: To the oversized and under-rated male faculty we leave one smoking room commonly known as the boiler room.

Article 3: We leave one lunchroom with a capacity of "not quite enough," and capable of evacuating the school in 16 seconds (better than any fire drill).

Article 4: To the undergrads we leave one set of tools to be used on the Cleveland Transit System conveyances after the noted football games.

Article 5: To the pledge masters we leave the patternmaking shop or Father Duffy's which will amply supply your needs for initiation.

Article 6: One library well stocked with excellent reading matter recommended by E. S. Kern. The "S" being the abbreviation for Sexy.

Article 7: An athletic field dubbed as the cinder bowl where the seniors prepare themselves for the rugged senior outing.

Article 8: Four machine shops fully equipped to turn blundering, clumsy students into machinists quite capable of throwing a monkey wrench into Cleveland's industry.

Article 9: The noon movies which are steadily improving under the "Eye" of Miss Steeds who enforces her rules with a strong hand, loud voice, and the best radar equipment known.

Article 10: One large campus (approximately five yards) containing two leafless trees and much debris which Joe the Janitor has not been able to dig himself out of yet.

Article 11: The right to sell elevator passes to the gullible tenth graders. (This privilege was handed down to us by the January '48 class, and we reluctantly pass it on.)

Article 12: Ye olde Scarab office complete with staff, four typewriters, twenty broken chairs, and the disintegrating body of "Teddy" Stettler who again heroically got out thirty issues of the weekly chronicle.

Article 13: Last but not least, we leave you with the reputation of this excellent school. Keep its standards high and her halls ringing with the glory she deserves. This school is one of the best in the country. Keep it that way and you'll never regret it.

Famous Sayings of These Here Teachers

Mr. Hill—"Da-a! You ain't got enough points!"

Mr. Reid—"Come on, come on. You guys are just telling me to go to h---."

Mr. Williamson—"Let's assume that the engine will run."

Mr. Kern—"Now once there was a fellow, he went to Tech."

Mr. Vollman—"Sure as God made green apples."

Mr. Hursh—"Wel-l-l, this is the way it goes. Yes, it can be done that way, but this is much easier."

Mr. Duff—"Now I'll tell you—I don't give a hoot what Bower says, you'll not get back into my class unless I say so."

Mr. Doubler—"I've been in this printing racket so long now."

Mr. Quigley—"All you have to do is copy this down and there you have all the test."

Mr. Stettler—"Come on you guys, I want Copy, Copy, Copy, please!"

Miss Steeds—"All right, let's have it quiet in here or the movies will not continue."

Miss Sberna—"Esto es una clase de español y por eso habamos español."

Mr. Greene—"The first thing I want you boys to know before you start to drive is that you cannot smoke in the car." (So what happens, he himself lights up a small stogie!)

Mr. Pavey—"All right, Stettler, you want some news? Well, blah, blah, blah, blah, and also did you know that . . . (He should have been a cub reporter.)

Mr. Picciotti—"You'll play it the way I want it, not the way it's written!"

Mr. Bower—"Now if I catch you smoking out there again I'll give you detentions." (Where do the teachers go for their smokes?)

Miss Knights—"Now boys, this year I want to beat Miss Jackson in paying for the Scarab." (Miss Knight's homeroom won the honor once.)

Mr. Persky—"Now that's a fair question, besides I don't know why you're laughing."

Mr. Scott—"So you want a job. Well, it's like this . . ."

Mr. Runkle—"This is a democratic world, so we'll run things in this room my way."

Mr. Anderson—"Good boy! Lots of guts."

Mr. Harmony—"Next time."

Mr. Nardi—"That's right, Paul, lots of guts!"

Dr. Andrisek—"Where were you last night? Oh! Over to your girl friend's house. What time did you get home?" (Boy, those questions he fires at you sound like the draft board.)
